ABOUT US

DRISHAN INDUSTRIES PRIVATE LIMITED, based in Ahmedabad, Gujarat, is a dynamic and diversified company with a strong foundation in trading and exports of multi-commodity products and a growing presence in the global market. Established by MR. PRATIKSINGH GAUTAM with a vision to deliver quality, innovation, and sustainable growth, the company has built a solid reputation across sectors including chemicals, infrastructure solutions, and logistics.

With over 15 years of industry experience, Drishan Industries began its journey in the castor oil segment and has successfully expanded into high-value derivatives and other industrial ventures. In the Financial Year 2023–24, the company achieved a turnover of ₹300 crore, marking a significant milestone in its growth journey. The company is targeting ₹1000 crore by 2027. We take pride to introducing our self as a FASTEST GROWING STAR EXPORT HOUSE.

VISION

To be a globally recognized leader in multi-commodity products by building a diversified industrial presence across chemicals, infrastructure solutions, and logistics—driving sustainable growth across international markets.

MISSION

01

Lead the global market in multi-commodity products by delivering consistent quality, innovation, and customer satisfaction.

02

Is planning to achieve ₹1000 crore turnover by 2027 through operational excellence, sustainable practices, and continuous investment in people, technology, and infrastructure.

03

Build enduring partnerships with clients, suppliers, and communities while contributing to India's industrial and economic development.
